

Annual Training Conference 2013 Registration Booklet

June 23 - 27
Las Vegas, Nevada

THE ASSOCIATION

The International Association of Coroners & Medical Examiners has over 70 years of experience in the presentation of educational seminars for the purpose of assisting Coroners and Medical Examiners in the performance of their duties. This commitment is enshrined in the Association's mission statement, "The International Association of Coroners & Medical Examiners is committed to advancing the accurate determination of the cause and the manner of death through the utilization of science, medicine and the law." This training conference will bring together leaders in medicolegal death investigations to one location for training and education. This Annual Training Conference will be a valuable opportunity to network with Coroners, Medical Examiners, Deputy Medical Examiners and their staff. This is an excellent opportunity to interface with other professionals like yourself.
